

### Overall Economic Activity Rates in the Tees Valley, North East and Great Britain

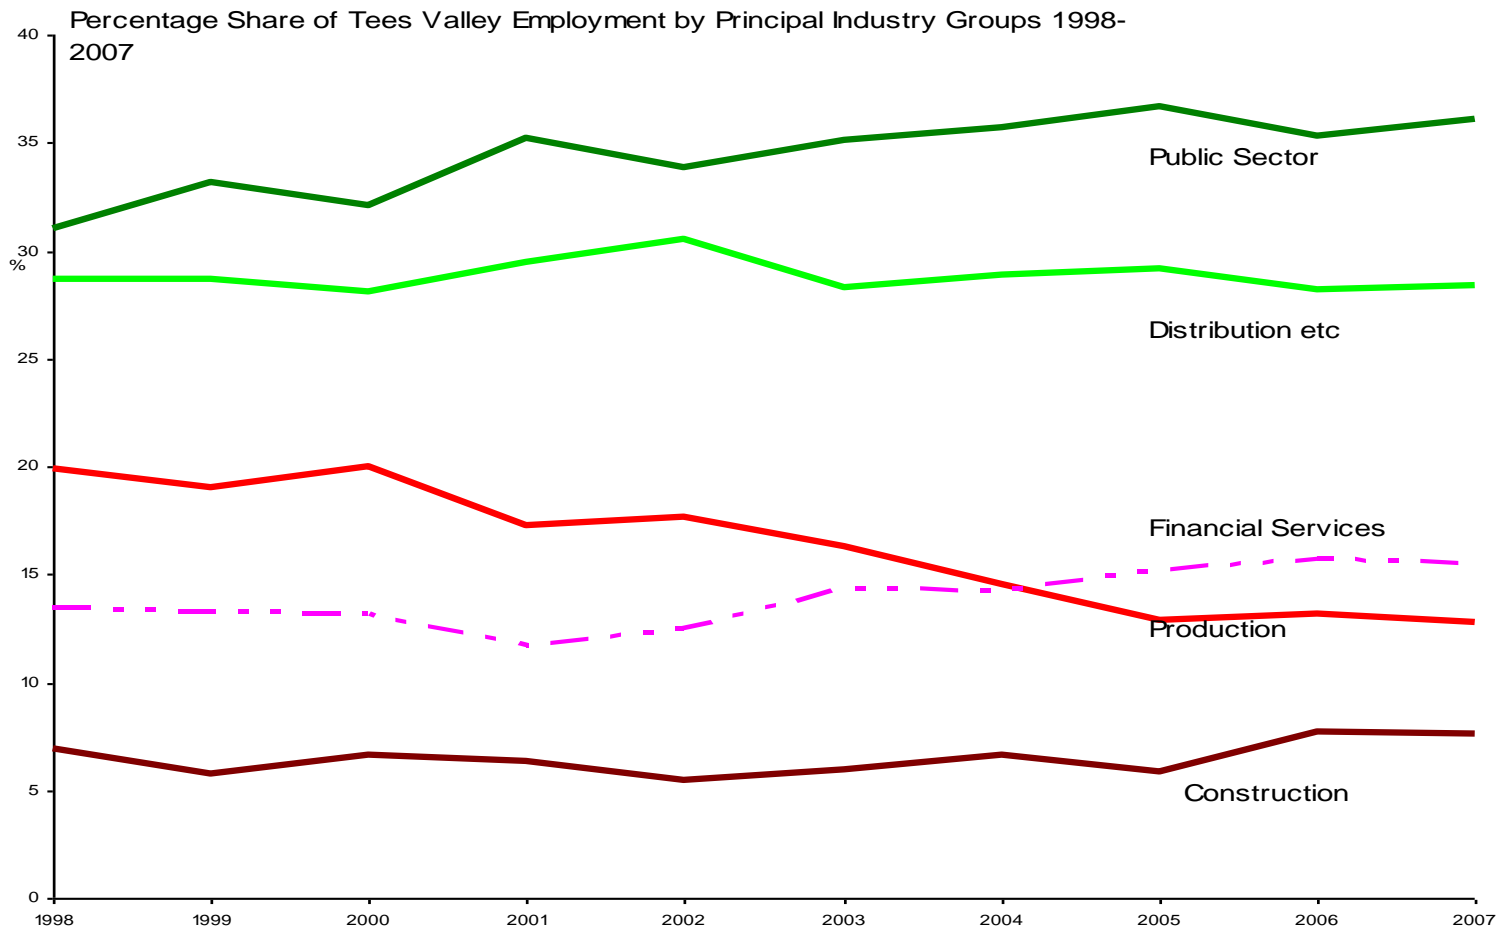

2001/2-2009/10

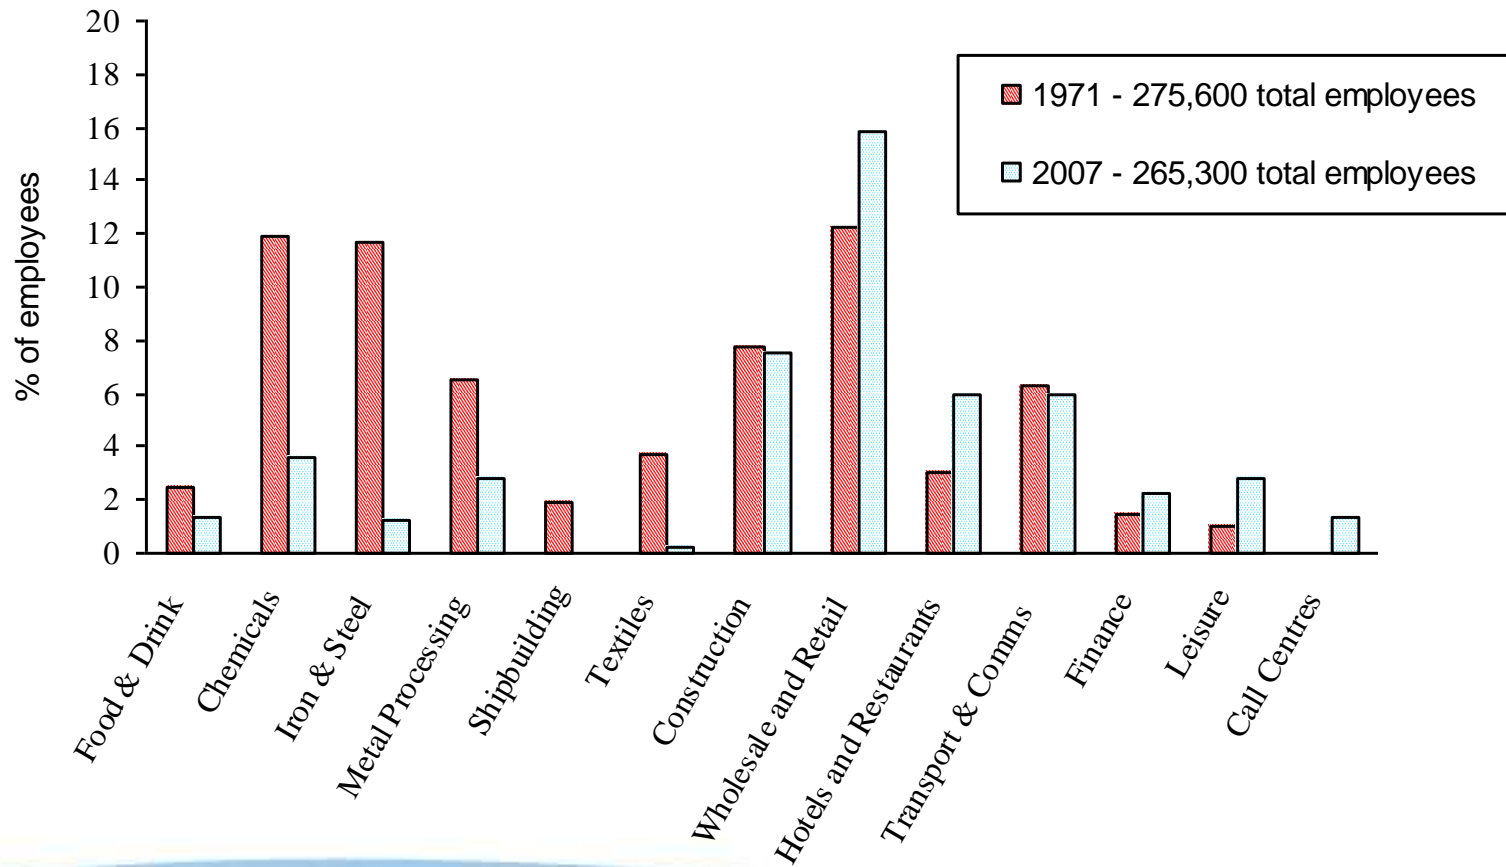

**Claimant Count Percentage Unemployed Under 25 Out of Work  
Over 6 Months in the Tees Valley, North East and Great Britain  
1986-2009 (June)**

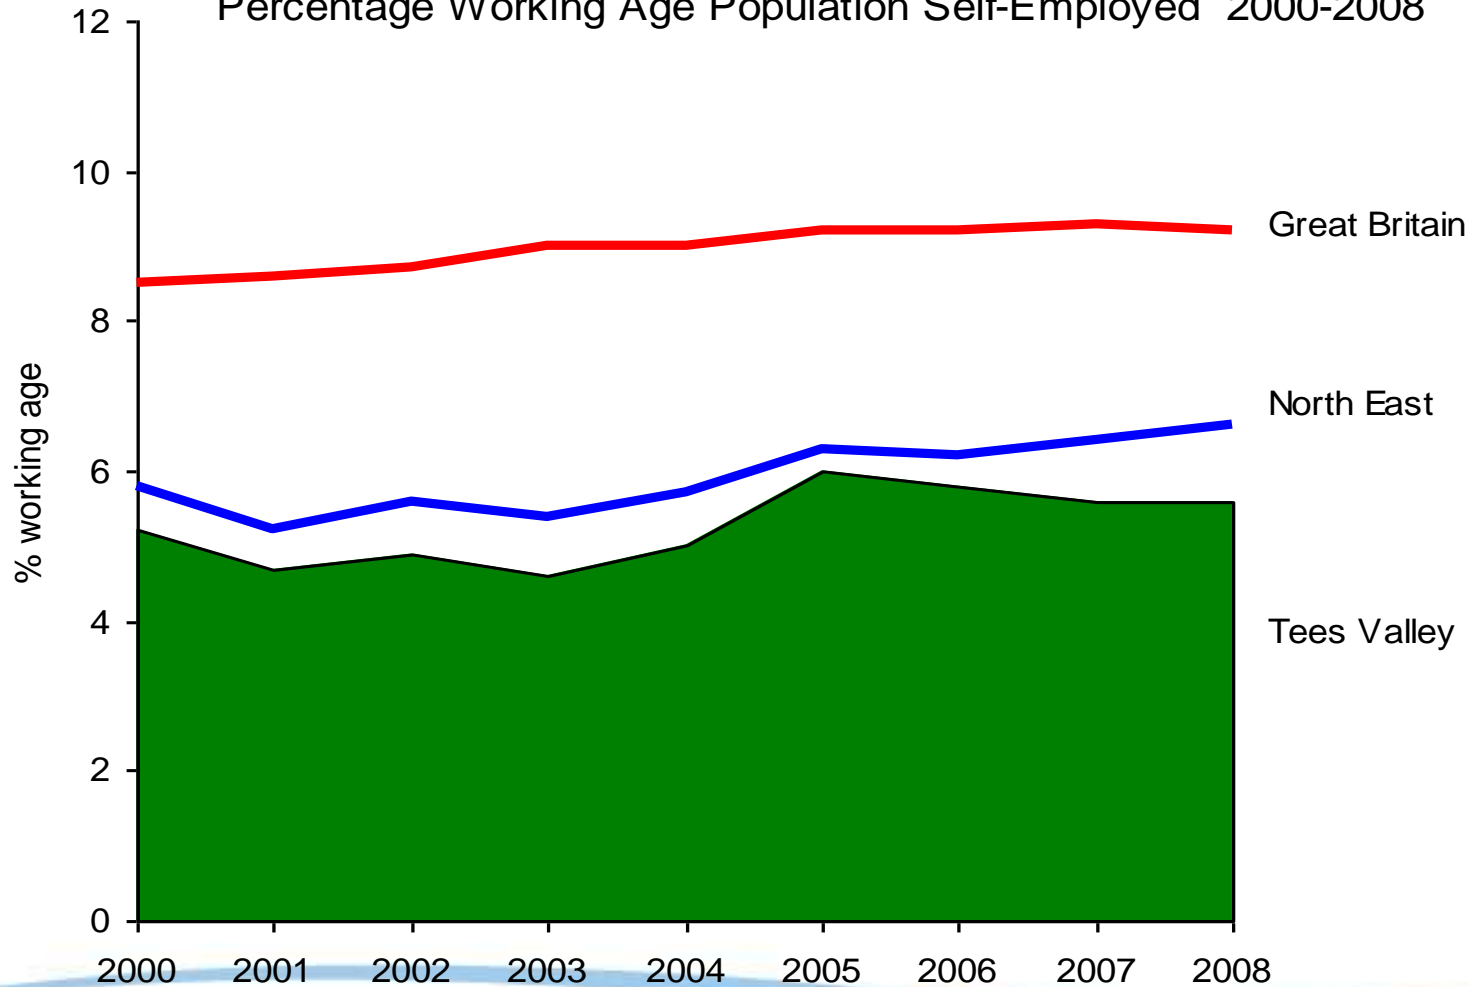

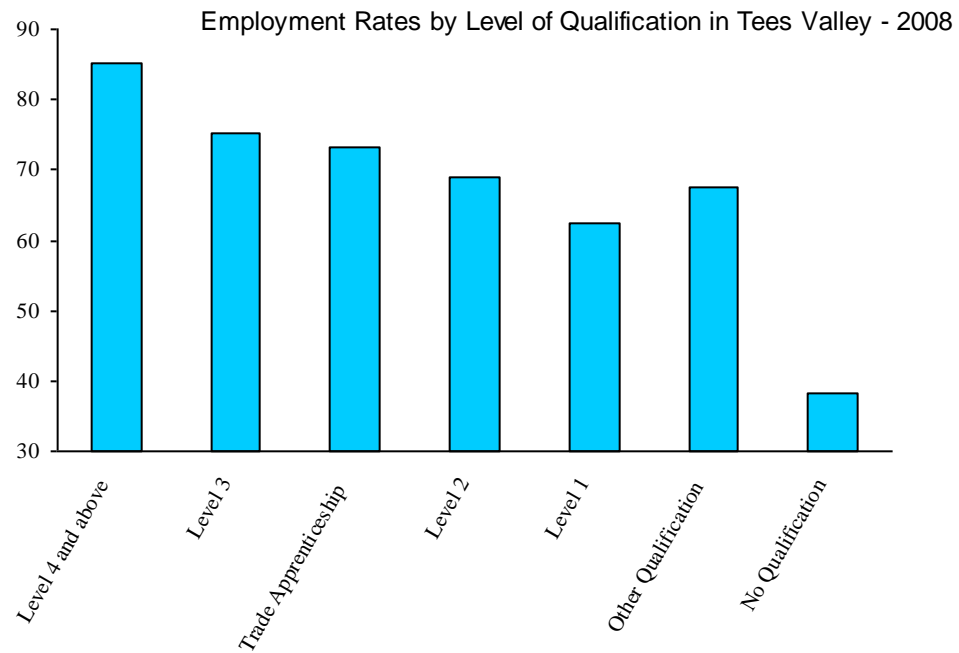

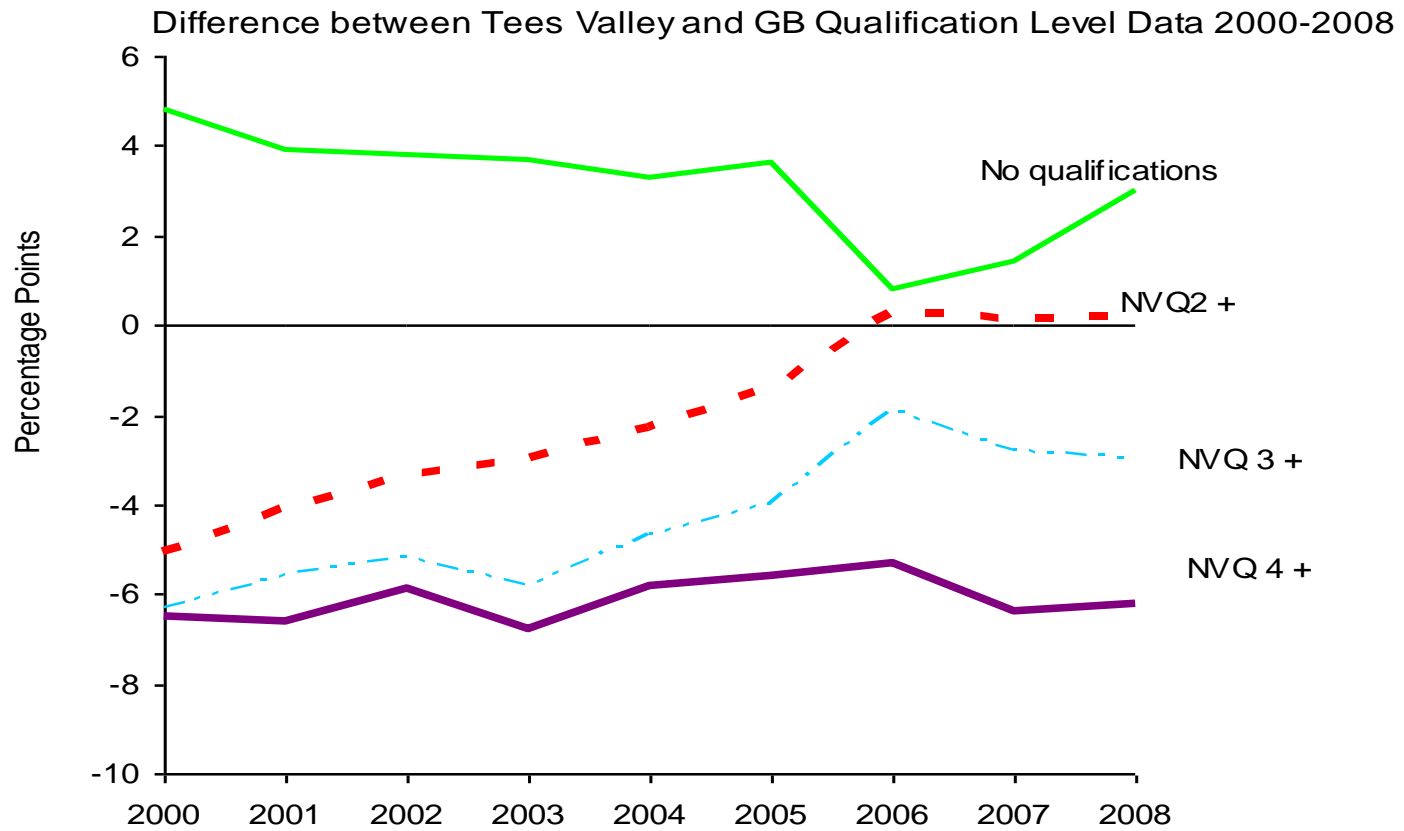

**Percentage employed in Sub-major Industries in the Tees Valley 1971 to 2007  
(excludes public sector which cannot be directly compared)**

Percentage Working Age Population Self-Employed 2000-2008

## **SKILLS DEMANDS FROM THE WORKFORCE**

- 24% of establishments in the sub-region were experiencing skills gaps with almost 20,000 employees not fully proficient or trained.
- 33% vacancies were 'hard-to-fill' vacancies (jobs deemed unattractive to employees due to shift-work, unsociable hours).
- 20% of vacancies were skill-shortage vacancies (ie hard to fill because applicants do not have required skill levels).
